

## Be a Vibrant Club

Your club size does not determine if you are a vibrant club. Many different kinds of clubs can be vibrant clubs!

What makes a club engaging? Be a Vibrant Club is a dynamic workshop that will give you these answers.

Whether you are your club's president, committee chair, or a club member this class will give you the tools you need to make your club more vibrant than it is today.

You will learn the keys to engagement, communication, and attracting new members. You will understand the importance of building relationships, being flexible, and having member driven service projects. Finally, you will appreciate why your club's personality is imperative to its vibrancy.
