Flower Show Rules:

1. ALL ENTRIES MUST BE NAMED TO BE ELIGIBLE FOR A BLUE RIBBON. Make an effort to include the variety and the botanical name of your entry. At some point in the future, the Botanic name will be required to receive the Best of Show in a Class. Plant material does not have to be named in the design class.
2. Judging is based on "Handbook for Flower Shows" which can be read at the Lawrence County Public Library in the reference section. One ribbon grouping, consisting of Blue 1st, Red 2nd, and White 3rd may be awarded to each lot, with a Best of Show in each class chosen from its 1st place winners.
3. All pots must be clean and not more than ten inches in diameter with the exception of hanging plants, which are not to be more than twelve inches in diameter. Hanging plants may be on a stand that the exhibitor must provide. Plants must be free from insects, disease, insecticide residue, and dead plant material.
4. Bring a transparent, unlabeled glass bottle for each cut specimen. The stem should be visible. Be sure the bottle is heavy enough to support the weight of the specimen.

For example, in Lot 12 of Roses, an exhibitor could enter 2 exhibits if they are different varieties: such as Abraham Lincoln, or Black Beauty.
