MARCH 2022

Interact District Governor-Elect, Abbie Ramsell of the Homer-Center Interact Club has announced plans for her District Conference which will be held in October. Watch for more details in future newsletters.

At a recent District Interact Board of Directors meeting, District Governor, Connor Herrington, proposed trying to conduct a virtual "Interact Institute" for District Interactors. Your Board of Directors discussed topics that they would like to see covered and even talked about who they thought would be the best fit for each topic as far as facilitators were concerned.

The "Institute" will cover four topics and be held virtually for either one hour for two nights and perhaps for a two hour period for one night.

This is not a class that is being taught, rather it is a guided discussion on what ideas work in each area of study and what ideas haven't worked and why. We are striving to have an Interactor and an Interact Advisor facilitate or guide the discussions in which Interactors will be expected to participate.

There will be much more on this proposal in next month's newsletter as plans progress. It is anticipated that the Institute will occur in April.

MARCH 2022 - Page 2

The Greater Johnstown High School Interact Club participated in WorldReadAloud Week by reading "The Bench" to our favorite Preschoolers at the Morrell School! After our read-along, each student was also given a copy of "The Bench" to take home and add to their personal libraries.

The Bethel Park Interact Club on Valentine's Day, delivered handmade paper-flower bouquets to the secretaries and nurses at Independence Middle School and the High School. These women are always "petaling" along to make sure our school stays healthy and organized! Thanks a bunch!!

Last month we told you about Bethel Park's Taco Sale as a fund-raiser. We are happy to report that their Interact Club raised \$300 which will be used for future projects.

Articles and pictures for the April 2022 Newsletter are due no later than Wednesday, March 23. They can be sent to: mbarnhar@verizon.net.
