2022 INTERACT DISTRICT CONFERENCE

THURSDAY, OCTOBER 13
GREENSBURG COUNTRY CLUB

It's not too early to start planning for this year's District-wide Interact project "Cards for Veterans". Remember the rules: cards must not be in envelopes, no glitter can be on the cards, sign only your first name thanking the veteran for serving. Cards should not be religious in nature!

As in the past, VFW Post 33 will distribute the cards to VA Medical Facilities throughout Southwestern Pennsylvania. Please keep track of how many cards your Interact Club signs. Also, don't forget to have some cards for your community's local first responders and essential workers.

All cards must be received by me no later than Monday, December 5, they can be mailed to Mark E. Barnhart; 505 E. Pittsburgh Street; Greensburg, PA 15601.

Sparking Bold Thoughts

52nd Annual World Affairs Institute for Student Leaders will be held on November 16 at the University of Pittsburgh in Pittsburgh.

Do you have an old pair of sneakers? How would you like to turn them into \$ to help Interact in the District?

Yes, your old sneakers are worth something. We will be collecting them at the District 7305 Interact District Conference on Thursday, October 13. They will then all be sent to "Got Sneakers?" and they will send a check which will be used to help fund Interact in the District.

We will have a weigh-in to determine which Interact Club attending the Conference has collected the most tennis shoes. So you can involve your schools, families and friends, they should all have old tennis shoes that don't need to fill our local landfills. By participating in this District-wide Project you will be helping the environment and raising money at the same time.

Just a few hints about "Got Sneakers?": They will only pay for tennis shoes or sneakers and when packing them to bring them to the Interact District Conference, please be sure to keep pairs in the same box or bag. Once they are weighed at the District Conference, they will be repacked into the bags that "Got Sneakers" wants them shipped in.

Articles and photos for the November 2022 District 7305 Interact Newsletter are due no later than Monday, October 24. Items can be sent to:

**One Day. One Focus:
Ending Polio
24 October World Polio Day**

The Bethel Park Interact Club had a booth at Bethel Park Community Day event. The Interactors held Dog Races, had cotton candy, sold T-shirts and of course promoted INTERACT.

First picture we have received of one of the Peace Poles installed. In this picture is Jack Cohen, District Governor of Rotary District 7280 whose Club purchased a Peace Pole from our District's Interact. The picture was taken at the dedication which was held on World Peace Day. The peace pole is located inside and Jack says that it revolves to display all four languages.
